A meeting was held in the Commissioner's Office on November 30, 1982. In attendance were Mayor Dennis Collins (Bayonne), Ed Londres, and myself. Landfill closure was discussed, with reference to the Consent Order signed by Bayonne which called for a December 31st closure.

During this meeting, a landfill expansion plan was received from Bayonne. This plan did not include a liner and leachate collection system and therefore, was not accepted as a formal application submission. Requirements for a formal application submission were discussed (N.J.P.D.E.S., liner, etc.) and we will be expecting a closure or expansion plan submission shortly.
